PENANG STARTUP ACCELERATOR PROGRAM (PSAP)

PSAP Demo Day
15.10.2022

Penang Start-Up Accelerator Program (PSAP) has finally come to an end. Launched in February earlier this year and we had our Demo Day on 15 October 2022.

Penang Startup Accelerator Program is the collaboration between Penang Youth Development Corporation (PYDC), Vincaps Capital and Big Domain. We believe in enabling startups and businesses to bring their ideas or business model to the next level by providing funding, network, and state of art facilities available in Penang island.

Congratulations again to all our top 3 finalists Skybi, Dear Kyra, and resQ for making it to the finals!

Miss Jaylee Ong Hui Kim
21.10.2022

Miss Jaylee Ong Hui Kim is the founder of Aimsity. Miss Jaylee graduated with a B.A. (Hons) in Accounting and Finance and worked as an auditor for over three years, then moved into marketing as a salesperson in a technology company. She discovered here that she knew very little about technology and was unable to understand any technology jargon words.

She began to learn how to code and eventually founded her own company, Aimsity, to encourage children to learn more about technology. She had been teaching children to code for 5 years and had led her students to win web design and game design competitions. She is also actively involved in community workshops, providing free workshops to children to help educate them how to code.

Aimsity provides:

- Workshop for coding
- Basic Computing
- Game Designing
- Python AI
- Apps Development
- C++
- Web Designing
- CSR Program
- B40 Outreach

"Contingency Plan and Counselling within Justice System" at DISTED College
06 & 07.10.2022

Together to prevent sexual crimes, child abuse and domestic violence!

On the 6th and 7th of October 2022, DISTED College and the School of Psychology organised the "Contingency Plan and Counselling within Justice System" programme. Within this programme, the organisers have invited various professional parties to share their knowledge on the challenges in counselling, on combating sexual crimes towards children and on handling issues related to domestic violence. There were also simulations supported by the local fire department.

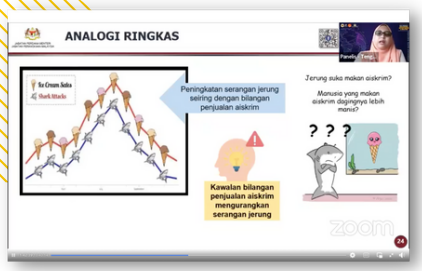

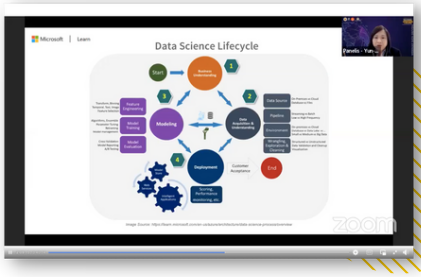

Penang Youth Development Corporation (PYDC) was honoured to be invited for this event. Represented by our General Manager, Dr. Gwee Sai Ling, the occasion was a very fruitful and productive learning session that can be benefitted for the future, including for the youth's development.

Once again, thank you to DISTED College and the School of Psychology for organising this event and for having us.

Webinar Data Driven Data Sciences: Challenges, Opportunities and Realities
13.10.2022

As part of PYDC staffs' OTJ training, PYDC participated in the Webinar Data Driven Data Sciences: Challenges, Opportunities and Realities.

The webinar was organised by the Ministry of Youth and Sports with Institut Penyelidikan Pembangunan Belia Malaysia (IYRES) as the implementing agency.The webinar was moderated by Dr. Mohamad Shukor Talib, Senior Lecturer in the Faculty of Computering UTM and was attended by two invited panelists, Tengku Noradilah Tengku Jalal who is Assistant Director of the Big Data Analytics Core Team from the Department of Statistics Malaysia and Pm.Ts. Dr. Choo Yun Huoy from Faculty of Information & Communication Technology, UTEM.

Tengku Noradilah who was the first panelist presented about the basics of big data and statistics for the audience, including on how we should actually understand the nature of statistics. Dr. Choo who was second panelist continued the discussion by presenting on the challenges and opportunities in the field of data sciences.

Both presentations were very beneficial for the staff in their OTJ training. We truly appreciate this webinar as an initiative to promote statistics literacy within the youth.
